Great cure are constitutly exciting [26] much attention and beliefing a many new patients that model histonding. It is pressing business in Purchand, ha linded, it absolutely nedessay to better to the listing on House for mother a week. Ho will therefore go to Portland Manday, barkango his business, and return to the Surface House, Wednesday, the bid hust. No man ever white Bangur whose success ever approached that of Dr. 6 post. The glock than lacenstantly asked list her hinding. This can be satisfactedly answered by referring to the scores of cines in any midst. Any reasonable person will at once hands that natural reasonable person will be completely and the person of the person o

FRIDAY, NOV. 7 1884.

Is it the Old-Tilden-Tweed Game

Assoonast beenine manifest that the result York would be close, we expres ed to a number of persons the apprehenson that the Democratic managers would net to the fraudulent school concocted must J. Tilden when he was Tweed me Committeeman, of sending word to of Demogratic pillelils to hole heir rejums until the general result nd be estimated, so that they could octor" the returns to furnish the ninceded to beat the Republicans. By heme more than forty thousand alent sotes were immuractured and sed to count out John A Griswold in and the fact was publicly charged and conclusively shown by Horne

ably confirmed by the audden announce ment of changes favorable 'Cloveland by the official returns received late his night, modifying the previous figures r celved from ectain districts and transforming a plurality for Blaine litto a plur ulity for Cieveland. It is evident that a most careful canvass

of the catiro official recorns of the State will be required to determine the actual result, and it any traud has been attempted or committed it must be exposed and frus-

frauds ngalast the ballot, o are still fre-billy funembraned It looks

wounding of many others. It a safe to was worth several thousand votes to the Democrats yesterday. In South Carolina similar tactics were resorted to, and the dead bodies of the murdered negacia were left exposed in the public square as an in-timation to their brethren of what they timation to their brethren of what they, night expect should they insist for the exercise of their rights of clitzonship on election day.

The South Carolina Legislature gerrymandered the State in such a marrier as to throw as large appropriate.

throw as large a proportion as possible of the negro population into a single district.

By thus, bunching the Republican vote they made sure of the election, by the aid of a little fraud, of six of the sown Congressmen, from that State and the other districtly was thought best to abundon to the Beaubileans as a small concession to the negro population into a single district.

The temptation to selze this district as nate a big rush this year on Hol day, business, Therefore; would not the others has proved too strong well as the others has proved to strong for the Bourbons' feeble sense of decency, and for some time past, preparations have been in progress to steal this district also, In spite of the fact that "nice out of ten of |-

its voters are Republicans, Whether the ne voters are deputationally experience of the conspiracy succeeded or not woshill know in time, but it inuffer or noy form of telony could a compiled it South Carollan will return this year a solld Delnogratic

dugressional delegation-la New Orleans, just before election by, unoffending and inoffensive negroes dre arrested by the wholesale and clumped into fait in order to rob the Republican that many votes. I'wo week ago the Remike a serious contest for the vote of Con-Island. The sugarieterests disgurded with

ree trade proclivities of the Demorith were disclosed to support the Repub-chus, which, with oren an approximately ile yote, would have given the electoral of the State to Blatne. By thepee, ge, fraud and wrong these hopes have blusted, and Louisiana is couldes le. We long is this to just? We have be

ed and hoped in value or a change for the bester. The slave-drivers and women pers of 18 10 still deminate the politics usinua, South Carolina and Misals The letitious majorities which they dracture educicl the National House presentatives to-day, and by theiraid d Democratic party has made three suc-Congress investigated these wrongs, and its committees have proved over and over ngdin thus a standing conspiracy exists in the South against the civil and even human rights of the mgro population. Is there nover to be an last to this great wrong and nuclet it always go unredressed, and even amgbuked?

United States Finances. EDUCTION IN THE PUBLIC DEED DEED - isprans. -

[Whalington Despatch to Unleago Inter Ocean, The reduction in the public debt for Soplember with 88,303,103, and for the the State Scheenber was \$8,303,103, land for the the actual four months that closed, \$31,800,373; and four the corresponding periods of last year. The reduction made incoming debt, multiple discharge of inco-interest bearing debt, and the discharge of inco-interest bearing debt, multiple discharge of inco-interest bearing debt, and the discharge of inco-interest bearing debt. france ngainst the ballot, o sectably in and thirty-first cal for 3 per cent bonds. New York, where the villandes of 1868 and inatured to-day and the \$10,009,000 inthe aClinier Despatches" languay of 1870 cluded in this call is still borne in the interest-bearing column; although over 85,000,000 of it have blem presented and redeemed.

New York, whose the relationed 15 sold and the office of the Electron of tempering with the returns and what the returns and what the returns to the order of tempering with the returns and count of the York will be vigitable and unbeining in securing an hangest return and count of the votes asknow to the returns to game to indicate the returns to game of the Electron College, the evidences have york and thereous the neturns to game of the Electron College, the evidences have another the country.
